“Visions of the Everglades” Quinn Hiaasen Photography Exhibit

The Friends of the Museum hosted a reception for photographer Quinn Hiaasen on November 7 in the Pauline Reeves Gallery. Pictured with Quinn are his parents Fenia and Carl Hiaasen, Museum Manager Martha Hutcheson and FME Board Director Renee Rau. This is Quinn's first photography exhibit which he believes captures the pure beauty of the Everglades. His photographs will be on display through December. Please stop by.

Annual Meeting and Luncheon

Bob DeGross of Big Cypress Preserve will be the guest speaker at the annual FME luncheon to be held on December 7 at Everglades Isle Lighthouse Club. His topic is “Working to Restore Monroe Station.” The building was built by Barron Collier around 1928 as a two-story frame structure with weatherboard exterior. It was one room deep and had a narrow, rectangular footprint with a low-pitched, hipped roof. Learn more about Big Cypress' plans to restore the building to its original design.

Reservations are required for the luncheon (\$20); please give Martha a call at 695-0008 to reserve.
